

NOTIFICATION OF INTENT TO CERTIFY CLOSURE

FORMER R. PAUL SMITH POWER STATION – FORMER LAGOONS 3 AND 4

Pursuant to Title 40 of the Code of Federal Regulations (CFR) Section 257.101(h)(1)(i), Allegheny Energy Supply Company, LLC (Allegheny Energy) is making this notification on November 8, 2024 of the intent to certify closure of former Lagoons 3 and 4 in Falling Waters, Berkeley County, West Virginia associated with the former R. Paul Smith Power Station in Williamsport, Washington County, Maryland. As required by 40 CFR Sections 257.105(k)(4), 257.106(k)(4), and 257.107(k)(4), this information is being placed in the former station's operating record and on Allegheny Energy's publicly accessible internet site.

All coal combustion residuals (CCR) were removed from former Lagoons 3 and 4 after October 19, 2015 and prior to November 8, 2024. Groundwater monitoring will be conducted in accordance with Section 257.101(h)(1)(ii), including installation of a monitoring system compliant with Sections 257.90 through 257.95 to determine whether there is contamination from the former units. If applicable, a closure by removal certification meeting the requirements of Section 257.101(h)(1)(iii) will be prepared.
